

Guidelines
ME401A-Lab

The rules that you must follow during the lab are enlisted below:

1. Please come to lab atleast 7 minutes prior to the commencement of lab.
2. Bring your calculator, pen, pencil, eraser and the datasheet of the respective experiment.
3. Go through the experiment manual beforehand and take a printout of respective datasheet.
4. During the lab you have to perform the experiment and do all the calculations. The calculations must be checked and signed by the respective TA on the same date.
5. Each group have to submit the hard copy of one full report within 7 days from the day of experiment. The report should be typed in the prescribed format (attached with the mail).
6. DONOT HANDLE THE DELICATE INSTRUMENTS IN THE ABSENCE OF TAs OR WITHOUT CONSULTING THE INSTRUCTOR.
7. Please maintain the discipline.
8. Follow the instructions given by TAs.
